

Pragra ISAs

Pragra offers an Income Share Agreement option to invest in your future and kickstart your new career. Our focus continues to be investing in you rather than charging you upfront tuition because we believe everyone deserves the opportunity to succeed.

[Apply Now](#)

Our Income Sharing Agreement helps you to make career decisions which are not limited by loan payments. We financing options covers your tuition using costs until you land a job, This helps in launching your new career more accessible.

Our ISA Features at a Glance

1

Pay 0% Tuition

Enroll in any of our career paths and We covers your tuition fee without any co-signer details or advance fee.

2

Monthly Payments

You don't pay anything until you earn the minimum monthly income threshold and then you pay monthly.

3

Payment Cap

Once you reach the ISA payment cap you are 100% free from the legal agreement and ISA schedule ends.

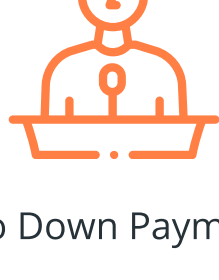

ISA Agreement Requirement

- ✦ You will need to clear a technical challenge - Assignment or Coding Test.
- ✦ You will need to clear a technical in-person interview round with our team.
- ✦ You should have a university degree, diploma or an equivalent education.
- ✦ You are legally entitled to work in Canada and holds valid authorization.
- ✦ You must have a Canadian Bank Account with valid credit history record.

3 Basics of our ISA

It's not a LOAN

No Down Payment

Zero Interest
